kim.gilmer@mid.state.ms.us

Specific Legal Authority Authorizing the promulgation of Rule:

Miss. Code Ann. §§ 45-11-251 and 45-11-253.

Reference to Rules repealed, amended or suspended by the Proposed Rule:

Mississippi Fire Personnel Minimum Standards and Certification Board Bylaws, Law, Rules and Regulations

Date Rule Proposed: April 21, 2006

Explanation of the Purpose of the Temporary Rule and the reason(s) for the rule:

Due to Hurricane Katrina, many firefighter candidates were unable to attend a firefighters training course within the 180 days required after CPAT certification. This amendment will only require that a firefighter candidate apply and be accepted into an on-campus firefighters training course within the 180 days following CPAT certification and before the firefighter's one year eligibility period is complete.

The Agency finds that an imminent peril to the public health, safety or welfare requires the adoption of a rule upon fewer than twenty-five (25) days notice. The Agency Rule Making Record for this temporary rule including any written comments received during the comment period and the record of any oral proceeding is available for public inspection by contacting the Agency at the above address.

☐ An oral proceeding was held on this rule:

☒ An oral proceeding was not held on this rule.

The Agency has considered any written comments received and the presentations made in any oral proceeding, and

☐ This rule as adopted is without variance from the proposed temporary rule.

☐ This rule as adopted differs from the proposed temporary rule as there are minor editorial changes which affect the form rather than the substance of the rule.

☐ The rule as adopted differs from the proposed temporary rule. The differences however are:  
Within the scope of the matters in the Notice of Proposed Rule Adoption, the logical outgrowth of the contents of the Notice of Proposed Rule Adoption and the comments submitted in response thereto, and  
The Notice of Proposed Rule Adoption provided fair warning that the outcome of the proposed rule adoption could be the rule in question.
